Northwood Voluntary Evacuation
Special Update
08/28/17 - 4:30 pm**

The City of Lake Jackson is calling for a voluntary evacuation of the Northwood Subdivision beginning at 6pm this evening.

It is expected that the Northwood retention dam will be breached by overflow from Bastrop Bayou sometime tonight or early tomorrow morning. This notice is given to allow Northwood residents the opportunity to prepare for evacuation. Those choosing not to evacuate need to be prepared to have high water in the streets for up to a week or more.

We do not expect water to get into houses, but streets will become impassable.
