**City of Lake Jackson**  
**Brazos River Flood**  
**FOR IMMEDIATE RELEASE - UPDATED**  
**Sept. 7, 2017 - 3:30 p.m.**

The streets of Jackson Oaks and Harvard Oaks subdivisions are safe to travel, all utilities are available to the homes in that area, and the flooding threat to that area has diminished. Therefore, the Mayor of the City of Lake Jackson hereby lifts the Mandatory Evacuation Order for the Jackson Oaks and Harvard Oaks subdivisions.

The only area in the city still under voluntary evacuation is the Northwood subdivision.
