

POST COVID-19 GUIDELINES FOR PARK PAVILION RENTALS

The City of Lake Jackson will begin taking park pavilion rentals June 15, 2020 with some restrictions. As we know, the Governor and, more importantly, the CDC still recommends continued social distancing. Our priority as we start opening back up is the health and safety of all involved. We all wish this would go away, however for the foreseeable future social distancing to reduce the spread will be the new normal.

Smaller pavilions located at Lloyd Morrison Park – Shy Pond and MacLean Park small pavilion that have a maximum capacity of 35 people or less can now be reserved on-line by going to www.lakejackson-tx.gov/parks.

- Groups may not be larger than the maximum capacity of the pavilion
- Maximize physical distance from others and stay at least 6 feet away from others.
- Bring your own water and hand sanitizer
- Follow any posted facility specific guidelines as well as CDC guidelines.

We advise against:

- Visiting parks if you are sick or were recently exposed to COVID-19
- Visiting crowded areas

Any groups requesting to rent any of our larger pavilions, MacLean Pavilion and Dunbar Park, must submit their rental application and a written plan for limiting large group gatherings and how they plan to manage social distancing. Plans should include additional hand washing stations, additional hand sanitation stations, limiting the number of guests, and managing social distancing for seating. Applications and plans must be submitted within 14 business days of the event to allow time for reviewing plans. Groups will be notified within 3 days of the application being submitted if it was approved or denied.
