Monday, November 25, 2019
Lake Jackson, Texas

P R E S S R E L E A S E

NOTICE TO THE GENERAL PUBLIC OF IMPENDING ROAD CLOSING LOTUS STREET FROM MAPLE TO SOUTH YAUPON STREETS

ATTENTION: Residents, Police, Fire, EMS, School District, City Employees and all other users.

Work on the Lotus Street ditch crossing between Maple Street and South Yaupon is scheduled to begin Monday, December 2, 2019. The work consists of replacing the current pipes with larger culverts.

Unfortunately, due to the large size and number of the pipes and equipment needed to handle them, Lotus Street will need to remain closed for the duration of the work. Because the work will be in the bottom of the ditch, weather will greatly impact the timeline of the work, which has been estimated to last seven (7) weeks.

Residents should find alternate routes through the neighborhood until the work is complete, and all first responders and bus drivers should redesign their routes accordingly. Please observe the construction zone regulations of the directional and speed limit signs being erected and being enforced by our police department.

Please be considerate of your neighbor's safety as well as your own as you share the streets around this construction area. Please make every effort to make plans for the use of alternate routes to your destinations. We appreciate your patience and apologize for any inconveniences these needed improvement changes may create for you.

Sincerely,

A handwritten signature in blue ink that reads "Sal Aguirre".

Sal Aguirre, P.E.
City Engineer
