For Immediate Release
March 23, 2020
Lake Jackson, Texas

ONLINE BUILDING CODE APPLICATIONS AND PERMIT PAYMENTS

The City of Lake Jackson is taking preemptive safety measures in response to the COVID-19 virus. Beginning Monday, March 23, 2020 all Building Code applications are available online on our website at: <http://www.lakejackson-tx.gov/146/Building-Permits-Services>

Permits and plans may be submitted by email to inspections@lakejacksontx.gov and /or by phone at 979-415-2430. A drop-box will be placed by the front door of City Hall during regular business hours for the drop-off of paper submittals. Permit payments can be made over the phone by credit card, or by check or money order dropped in the mail or at the drive-thru window during normal business hours. You can now also pay online at our website: <https://www.lakejackson-tx.gov/698/Pay-Water-BillsMisc-Receivables>

We hope these new options allow our residents to continue operating as normal, but in a way that limits contact and possible spreading of the virus. Both new options for submitting and paying will still be available online after the pandemic.

All questions should be directed to the contact information above.
