COVID-19 CASES & STAY SAFE AT HOME ORDER UPDATE

This afternoon the Brazoria County Health Department reported 16 additional COVID-19 cases have been confirmed in Brazoria County. This brings the number of cases in our county to 95.

The county also announced that 5 more people have fully recovered from the virus in Brazoria County. This brings the number of people who have recovered in our county to 10. One of those recovery cases is a Lake Jackson resident. This leaves us with two active cases in our City.

It appears we are, as a nation, heading into the worst of this outbreak over the next two weeks or so. This is why it is imperative that we all follow the guidance of the CDC and the orders issued by the President, our Governor, County Judge and Mayor.

In that vein, County Judge Sebesta has extended the Stay Safe at Home order until April 30th. We ask all Lake Jackson residents to comply with the Judge's order. Please avoid all unnecessary travel. If you must leave the house, practice social distancing. However, the best thing we all can do is stay at home and practice good hygiene. This is a critical time.

Please be safe. Again, we pray for all those who are ill and for the amazing medical professionals helping them. God Bless them all.
